

**26th General Conference of ICOM
Election of ICFA Board**

Prague, August 23rd, 2022

Dear ICFA Members,

Next August, the new ICFA Board will be elected at the 26th ICOM General Conference in Prague. We are opening the election procedures and hope that all members will understand the importance of this moment for ICFA.

Let us recall that according to the statutes of the Committee, the Board is responsible for the work of the Committee and must meet in plenary session at least once every three years at the time of the ICOM General Conference.

During this plenary session, **organized in Prague Congress Center and online on Tuesday August 23rd**, the Committee must:

- hear the report on the activity of the past three years
- define the program for the coming years
- elect its Board

We must choose for this Board at least 8 members including the President, the Secretary and the Treasurer. You are all invited to apply by completing the form below, with a brief CV. Applications should be sent to the Secretary, Sophie Harent, and the Chair, Christoph Lind (icom.icfa@gmail.com) before June 23rd.

We hope you will be keen to submit your application. Please remember that all the members take part in the meetings on a voluntary basis.

Thank you for your participation.

Best Regards,

Christoph Lind
